## **Professional & Scientific Requisition and Search Process - CHECKLIST**

This checklist covers all information needed to create a requisition and complete the search process.

| Basic Position Information  |
|---|
| Get position approval from DEO/Provost/Accounting.  |
| Create <b>position number</b> and/or Sr. HR Leader moves into OTAC for advertising.   |
| Groute position number analor of the country of the control of advertising.   |
| Local job description (LJD) including classification, position #, % time, working title, KARs, job duties,  |
| universal and technical competencies needed for this position. May update and attache Org Chart.  |
| <b>External advertisement:</b> Recommended to be a shortened version of the basic position info (unit paragraph,  |
| position overview paragraph, advertising info (date, req. #, website, and EEO tagline)).  |
| Notes:  |
|   |
|   |
|   |
| Advertising Information   |
| Advertising Information   |
| <b>Position qualifications</b> : required and desired <u>education</u> qualifications, written as competencies, directly  |
| related to the job duties and/or technical competencies within the LJD.   |
| Salary range (i.e. base to commensurate, base to salary cap (if budget/equity known)). Best practice: include   |
| the true range (low to high) dept. is willing to pay to set appropriate expectations of interested candidates.  |
| *Cannot offer final candidate outside range advertised. <a href="http://hr.uiowa.edu/professional-pay/structure-a">http://hr.uiowa.edu/professional-pay/structure-a</a>   |
| Additional information to intro position posting (i.e. dept. mission, Why UI)   |
|   |
| Reference to competency proficiencies in posting (link/hyperlink to website with description and definitions)   |
| http://hr.uiowa.edu/competencies (Admin includes)   |
| Include instructions for full LJD (i.e. email Admin) – posting does not usually include all position details.   |
|   |
| Additional Application Materials: note regarding reference check step (5 requested at later step in process);   |
| optional: work samples or other additional application request.   |
| <b>External advertising</b> : commonly posted on Corridorcareers.com and Higheredjobs.com (free).   |
| Do you need external posting for underrepresentation of women or minorities? Must post to at least one site   |
| focused on diversity outreach toward that/those group(s). <a href="http://diversity.uiowa.edu/advertising-resources">http://diversity.uiowa.edu/advertising-resources</a> |
| <b>Determine search members</b> : 5A and below only require the <i>Recruiter</i> (HR Rep) and <i>Search Chair</i>   |
| (hiring mgr. or designee). Interviewers provide input but not an official part of the committee.  |
| Pay level 6A and above require full search committee (typically 5 people, including content expert and  |
| appropriate campus constituents.  |
| Notes:  |
|   |
|   |
|   |
|   |
| After Position Begins Advertising   |
| Post external advertisements (Search Administrator).  |
|   |
| Screen applications Plan how (use competency behaviors, screening worksheet) and when (as they come   |
| in/after advertised). Schedule 1st meeting of search members (just before or after position ends advertising).  |
| Login to Self Service, OTAC system, to view applicant materials.  |
| <b>Determine interview options</b> : Are phone/email screens needed to clarify qualifications for any candidates?   |
| Are preliminary/phone interviews (informal) needed to further narrow the pool to the list of finalists? Would   |
| preliminary reference checks help in decision making at this step? OR Are top candidates clear and known  |
| and request to interview can begin?   |
| Complete the screening worksheet and/or write a summary of the applicant pool showing who meet all the  |
| required qualifications (and within this group, what desired quals they meet) and who does not meet all the   |
| required quals (including which quals are not met). Identify who are the top candidates to request 2 <sup>nd</sup> /final   |
| interviews. Must rate all applicants. HR saves in records.  |
| <b>Develop interview questions.</b> Review the qualifications/competencies – use behavior based questions tied  |
| directly to the advertised qualifications. Identify how to measure answers/evaluate interviewees.   |
| and the same same same same same same same sam  |

| Notes:                      |  |  |
|-----------------------------|--|--|
|                             |  |  |
|                             |  |  |
| After Approved to Interview |  |  |
| Ane                         | Schedule interviews. AFTER the request to interview is approved by the Recruiter, contact the selected   |  |
|                             | interviewees to schedule interviews (may include presentations, forums etc.).  |  |
|                             | Conduct interviews. Ensure fair and consistent practices by the interviewers and search members regarding  |  |
|                             | same, legal, appropriate questions and evaluation. Complete interview evaluations.   |  |
|                             | Discuss and evaluate final candidates. Based on candidate application materials, qualifications, interviews  |  |
|                             | and evaluations (& possibly reference checks), determine the top and if applicable, secondary candidate for  |  |
|                             | the position.  |  |
|                             | Conduct reference check(s). If not already done in a previous step, the Recruiter may enter the top  |  |
|                             | candidate(s) info into SkillSurvey online to begin the reference check process. Once at least 3 references are   |  |
|                             | received the report is viewable however, it's recommended to wait until all references have responded.   |  |
|                             | <b>Document a Search and Selection (S&amp;S) summary.</b> Written justification/rationale for why the committee selected the candidate of choice in contrast to the other finalists interviewed. |  |
|                             | Determine salary to offer and any other hire considerations. Once Recruiter approves, move to offer.   |  |
|                             | Determine salary to offer and any other fille considerations. Office Nectration approves, move to offer.   |  |
| Notes:                      |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |
| After Approval to Offer     |  |  |
| And                         | Make the offer. A verbal offer can be extended to the candidate of choice. If salary negotiations stay below   |  |
|                             | median zone max of the applicable pay range, please note in appt. If they go above, <u>Comp &amp; Class must</u>   |  |
|                             | approve first (provide justification for review). If considering moving expenses include a repayment   |  |
|                             | agreement. Once terms are agreed, the Recruiter triggers the eOffer in OTAC workflow for approval and then   |  |
|                             | extends via the system to start the onboarding process.  |  |
|                             | Notify the applicant pool. Once the eOffer is complete, contact applicants who were not chosen for the   |  |
|                             | position (OTAC email). Best practice: phone call those applicants who were interviewed.  |  |
|                             |  |  |
|                             | Move to the <i>appointment</i> process with the new-hire including onboarding and orientation steps.   |  |
|                             | *Search is not complete and <b>closed</b> until the incumbent's first day of work.   |  |
| Overall Search Notes:       |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |
|                             |  |  |

\*If no viable candidate is determined during the interviews and the rest of the pool is not viable for a second round of interviews, options include: re-advertise the position as-is (no changes to qualifications/position description) for a minimum of one week, close and submit a new requisition with updates to the qualifications/position description), or consider it a failed search and Search Admin must email UHR to close it unfilled.

Recruitment Manual through EOD. P&S Search Checklist through EOD.

Admin – see Checklist for Submitting a P&S Requisition for more details on creating the LJD and submitting the requisition.
