POSITION SUMMARY

To review, analyze, and evaluate admission information including self-reported high school data, high school transcripts, college transcripts, and test scores to make routine undergraduate application decisions based on established criteria. Develop and utilize extended knowledge of uAchieve program to help with audit transition issues and be authority for undergraduate staff. Review daily communication output to ensure accuracy in emails and letters. Advise students and parents on undergraduate application procedures and requirements via email, chat, telephone, etc.

WHAT YOU DO

Recruit Students: Promote the University to the Public:
- Serve as liaison with programs or colleges. May include providing admission committees with required data, serve in an advisory capacity to admission committees, establish procedures between offices for select student populations such as formerly dismissed students, meeting with advisors for particular program needs.

Application Processing and Evaluation/Credit Evaluation:
- Determine if applicant is admissible based on each undergraduate colleges’ admission requirements.
- Review self-reported high school application information for first-year students to determine accuracy.
- Contact applicants and/or high school counselors to obtain information on grading scales, rank-in-class, grade point average scales, etc.
- Evaluate transfer credit to determine acceptance and how it applies to general education requirements, prerequisites, and some major requirements for each of the undergraduate colleges.
- Approve and indicate how transfer courses completed by current UI students will apply toward the UI degree.
- Keep current with course and curriculum changes from the UI and transfer institutions and revise transfer course equivalencies and rules accordingly.
- Identify ways to improve processing and present ideas to staff and supervisor for discussion and implementation.
- Apply knowledge of each of the undergraduate colleges’ admission requirements, major requirements, and general education requirements.
- Help other offices with admission-related services, such as attending Orientation program check-in, help with transfer days at the Admission Visitors Center, etc.
• In consultation with supervisor, set daily and seasonal priorities to ensure timely admission decisions for specific student populations.
• Responsible for transfer credit entry when needed.

Student Transition Services:
• Advise prospective students, current students, and parents on admission requirements, degree requirements, and transfer evaluations.
• Provide information and advice to new students and parents about university life to ease their transition to the University. Assist by providing assistance during Orientation programs.
• Through knowledge of the student registration processes, ensure all students register for the correct courses, are able to register at the appropriate time, and to keep all admission student details up to date so registration times are not prohibited or delayed.

Systems Support and Development, Data Analysis, Research and Reporting:
• Develop and maintain working knowledge of the uAchieve transfer course equivalence database including how to build institution and GPA tables, use conditions codes, write course equivalency rules for the undergraduate colleges and programs of study, and how to create exceptions as needed.
• Keep current with MAUI changes, suggest enhancements, understand link between MAUI, uAchieve, and the degree audit systems.
• Develop and utilize extended knowledge of uAchieve program to help with audit transition issues and be authority for undergraduate staff.
• Attend MAUI meetings regarding undergraduate processing workflow needs and advise as needed.
