Memorandum of Understanding for Community-Engaged Scholarship Review

The purpose of this document is to establish standards for assessment of
in accordance with community-engaged scholarship best practices (check all that apply).

- ☐ The community-engaged scholarship statement and supplementary materials will be included in the dossier.
- ☐ External reviewers will include those with expertise in community-engaged scholarship.

The document applies to:

- ☐ Research or creative activity
- ☐ Teaching
- ☐ Both research or creative activity and teaching

By signing this document, the faculty member and DEO affirm they have discussed and agreed upon:

- ☐ The types of supplementary materials to be included with the community-engaged scholarship statements to document society or community impact.
- ☐ Whether the dossier should be reviewed by external reviewers with specific expertise in community-engaged scholarship.
- ☐ How instructions on evaluating community-engaged scholarship will be distributed to all reviewers

Supplementary Materials: Any supplementary materials to be included in the dossier, how the impact of those materials will be assessed, and the rationale for inclusion should be detailed here (table adapted from the University of Illinois).

Supplementary Materials (i.e., a document, product, or other entity created as a result of the faculty member's scholarship	*Assessment (i.e, level at which impact will be assessed; how impact will be assessed)*	*Rationale for Inclusion*

Additional information on external reviewers or materials to be distributed to reviewers:
