You can drive, walk, or ride to the 2017 New Faculty Orientation location: UI College of Public Health.

1) Driving and parking for the College of Public Health Building

Parking is available in the Newton Road Parking Ramp (NRP) on the west side of campus. To get from the Newton Road Parking Ramp to the College of Public Health Building, take the pedestrian bridge over Highway 6. The pedestrian bridge is wheelchair accessible. For vehicles entering the parking ramp before 9:00 AM, the graduated rate applies for pricing. Parking during the graduated rate is $1.20 per hour during the first two hours and then $3.30 per hour in the third hour. Parking maxes out at $20 for the day.

Parking is also available in the Iowa Memorial Union Ramp (IMUR) on the east side of campus. To get from the IMU Ramp to the College of Public Health Building, take the IMU pedestrian bridge over the river. The same parking rates described above apply in the IMU ramp.

2) Walking Routes to the College of Public Health Building

Walking routes using the pedestrian bridges from the Newton Road Parking Ramp (NRP) or the IMU Parking Ramp (IMUR) to the College of Public Health Building (CPHB) are highlighted on maps linked below.

- Walking route from the west side of campus:
  [Newton Road Parking Ramp (NRP) to the College of Public Health (CPHB)]
- Walking route from the east side of campus:
  [Iowa Memorial Union (IMU) to the College of Public Health (CPHB)]

3) Taking the CAMBUS to the College of Public Health Building

CAMBUS is the University’s free public transit system. If taking the CAMBUS from the east side of campus, the recommended route is the Pentacrest Route. This route picks up passengers at Macbride Hall and Schaeffer Hall and then stops at the Newton Road Parking Ramp (NRP). From this stop, passengers can walk across the pedestrian bridge over Highway 6 to get to the College of Public Health Building (CPHB). This walking route is highlighted on the map above.

The Pentacrest Route schedule with pick-up and drop-off times for each stop can be found here:
